It starts at 2:38 and finishes at 2:53

When **you record yourself and the video**, play the video chunk by chunk. Play chunk 1, record yourself, play chunk 2, record yourself and so on and so forth. That means that you start the recording with the video and finish on the very last chunk (7) with your own voice.

This tablet has the Samsung S Pen built-in // and it's //
stashed in a dedicated and very secure slot here on the top // of
the tablet. // It's handy for those of us // who prefer the feel of
writing // or // who would rather use a stylus for inputting
things into forms.
